TEA

Prana Chai Masala Blend; spices, tea, honey and ginger.	5
Good Morning; hearty-flavoured English Breakfast-style Assam blend.	4
Jasmine Pearls; hand rolled into a pearl shape and grown next to fragrant jasmine flowers. Expect a delicate aroma and sweet flavour of jasmine.	4
Golden Monkey; a classic black Chinese tea, hand-made, two leaf/one bud, early spring tea. It produces a fine-bodied tea of robust flavour.	4.5
Puerh Tea; Created in secrecy by a coterie of Yunnan tea masters. Hidden, hoarded, stolen, fought over: love it or loathe it, Puerh is one of the great tea experiences.	4.5
White Peony; produces a pale orange tea of exquisite flavour and delicate aroma.	4.5
Peppermint Leaves; Whole-leaf Polish peppermint offers more of itself to impart a rare subtlety in both flavour and aroma. Thought to aid digestion and invigorate tissues.	4
Iron Goddess; this partially oxidised oolong offers rounded, mildly ore-like earthtones softened with caramel, and deepened, some say, by a rich, woody, orchid-like fragrance.	4.5
Organic chamomile flowers; these organic Egyptian chamomile flowers have been used since ancient times to aid digestion and as a gentle sleeping draught.	4
Earl Grey; this blend of Assam teas originating in the UK some time in the 1830s, is flavoured or scented with squeezed bergamot oil. An oil extracted from the rind of the bergamot orange, a fragrant citrus fruit native to southern Italy.	4
